ance Notes on Codes and Abbreviations" appearing at the begin-
ning of each regular issue of the PCT Gazette.

(54) Title: COLLAPSIBLE PORTABLE CHILD SAFETY SEAT

(57) Abstract: A collapsible child safety seat device for use in a vehicle, the device comprising a seating portion pivotally connected to a back support, the back support comprising a backrest portion and a headrest portion, wherein the seating portion and back support may be folded together, wherein the seating portion and the back support may be laterally narrowed, and wherein the headrest portion can be retracted or folded to at least partially overlap with the backrest portion, whereby the collapsible child safety seat device can be transformed between a deployed position where all the parts are deployed and a compact position where all the parts are collapsed.
